**Major Source Permit Notification**  
**Mailing List Request Form**

DEQ keeps a list of persons interested in being notified of proposed major source permits (PSD, Title 5 and Acid Rain Permits) subject to public comment. DEQ notifies the persons on this list when any of the requested types of proposed permits are available for public review and comment. If you wish to be placed on the notification list, fill out the required information below and return the form to DEQ.

**Please Note:** It is your responsibility to notify DEQ of changes to your contact information. Failure to update the contact information promptly may result in removal of your name from the DEQ mailing list.

Mail the completed form to: Department of Environmental Quality  
Office of Air Permit Programs  
P.O. Box 10009  
Richmond, Virginia 23240-0009

You may also fax the completed form to: (804) 698-4510.
